We acknowledge Aboriginal and Torres Strait Islander people as the original custodians of the land upon which we live and work. We honour and pay our respects to Elders past, present and emerging and extend that respect and appreciation for the thousands of years they have cared for and preserved this country's lands, waters and culture. We also acknowledge our global support centre is located on Wadawurrung Country. We pay our respects to Wadawurrung people and value their continuing connection to land, waters, language and traditions.
